"Those who don't believe in magic, will never find it" -

Roald Dahl

While I am still waiting for my Hogwarts letter, I pen down my first editorial and it fills me with unbounded exhilaration mingled with apprehension but all I need is to pick up my wand and shout aloud a few spells! (It works) So believe in the magic within. Do Good!. Be Good! That's where all the magic lies.

Mount your broomsticks and get ready for a fascinating ride through the enchanting edition of this year's newsletter which is sure to be spellbinding because "We solemnly swear that we are upto no good". ~ Sub Editor

"Leave behind the muggle world and welcome to the magical world of Harry".

Embrace everyday, even the rough ones. Each day is your very own page and you have the power to write the words on those pages. Be courageous, and be strong, but don't forget that it is okay to be weak at times too. "Stay awesome, stay inspired!" ~ Magic Aspirant

Hard work beats talent when talent doesn't work hard. It is with this hardwork and sense of humour alongside the spine-tingling comedy amidst the dark theme that we are presenting you our sorcerous concoction, the cognizance 2016 ensuring you get a good laugh and a joyful time amidst devouring the cognizance. From laying down the latest details of the school events to a seemingly gleefully moronic review of the Cursed Child, this magazine has got you covered. ~ Magic Aspirant

"With great power comes great responsibility".

Fighting dark forces amidst squall isn't something which every one can do. One has to be altruistic and intrepid. "But you know, happiness can be found even in the darkest times, if one only remembers to turn on the lights." We all are wizards and just need to unravel the enigma which lies within, so pick up your magical wands, explore the magical realm of Hogwarts in the Harry Potter edition of this year's newsletter. ~ Sub Editor

"Maybe Harry Potter is real and you're not."

— John Green

Being a Potterhead, I sincerely hope that no child remains oblivious to the magical world of Harry Potter. To the innocence of it, the magic of it and above all, the courage and sacrifice.

Because Harry Potter doesn't just tell you that dragons exist. It tells you that they can be defeated. It doesn't just describe the ultimate sacrifices that come with friendships, but also defines the most beautiful Love story in just five little words. "After all this time?" "Always"

From the most fundamental of life's lessons of "Good over evil" to "Happiness can be found even in the darkest of times, if one remembers to turn on the lights", it's a world you can escape to. It's the characters you can feel around you.

I hope this edition of Cognizance, fills the Potterheads with nostalgia and kindles the love for it, in new readers.

Nox.

Night

1. Crystals stuck on a black ceiling , night brings with it loneliness and melancholic feeling, its silence hides secrets within .
2. It spreads its wings and flies about , to take the place of the dying day. And make its kingdom half the world, spreading silence and darkness for hours ahead .
3. Its wings shed memories bitter and sweet, of childhood over the aged souls. And dreams of a pleasant life ahead, over the young and aspiring fellows.
4. Children, however , dream of chocolate streams, of castles of cherries, of crocodiles made of strawberries.
5. Night is a blessing indeed, to teach the world the importance of peace.

Devils & Angels

The world above the earth,
Is nice and is so live ,
Its only the home of someone nice ,
Of course the God is there, but,
The angels are also nice.
It's the home of Angels,
They are kindful and helpful angels, they are also gorgeous
Angels.
But stop ! stop ! stop !
I could hear the steps of evils.
It came from under the Earth, As the devil had taken the birth .
But no one had seen them before,
Neither the angels nor the devils.
I always think about it,
Sitting under the tree of Mapple,
Mappily eating an apple,
That they are only the kind of people.

Peace is a language

Peace is a word
With a deep meaning
Peace is a language
Which everybody can understand .
Peace is a relation
Between two hearts, two families
Peace is a relation
Between two neighbours, two nations.

The world today has become
Stock piling place of nuclear weapons
Violence and destruction will be the aftermath
Let's save the world .

Without peace in this world
We can't live happily
So make this lovely planet
A better place to live in.

A world free from hatred
A world free from violence
A true place to survive for all .
May peace prevail on earth .

Smiling your way through :

It brings rest to the weary cheer to the glum ;
Sunshine to the sad
Be it in a palace or a slum ;
You can't beg , borrow or steal it
Nor buy it , whatever you pay ;
For it has no value at all unless it's given away ;
Brings happiness , beauty and luster to any face ;
Vicissitudes everything in life
Help to allay any problem ;
Inimitable to humans only
It's a curve that straightens many things ;
Yes ! it's a smile
Smile and the world smiles with you .

THE GHOST..

If anyone enter the house ,
They are changed into a little mouse
,
Oknowing that how this happened ,
Wandering that why this happened
.

Want to know how this happened ?
I'm the ghost who is just opened
Boo ! Boo ! Boo !!!!!
I'm the ghost .
I've the magic of the ghost ,
That will make you so lost .

Don't be so afraid ,
I want some friends .
Why don't you come to my place ?

We'll dance , we'll sing , we will do
party ,
Don't be afraid I'll make you very
happy .
Boo ! Boo ! Boo !!!!!
I'm the ghost .
I was just kidding ,
Don't you know ?

Why is Harry Potter and the Cursed Child such a big disappointment ?

* Contains spoilers *

- ❖ The less of an original story , is a poignant remix of existing Potter mythology.
- ❖ Cramming as many references to the original series in cursed child, is an extremely convincing approach to appease longtime fans. (Note the sarcasm)
- ❖ Cursed Child jumps from one idea to another so quickly that it leaves little time for reflection & thought .
- ❖ Where is the novel ?
- ❖ Story not half as good as the cover .
- ❖ Years of character development thrown out of the window .
- ❖ Harry James Potter tells his own son that he is UNWANTED ?????!!!!!!
- ❖ Where is Teddy Lupin ?!
- ❖ So , essentially Cedric Diggory becomes a Death Eater and evil by merely being humiliated and laughed at , learn from Harry .
- ❖ Dumbledore cries . Hell , he cries !
- ❖ Contrived and a soulless fix to revisit old characters .
- ❖ “ Emotional Climax “ devastating , even on paper .
- ❖ Voldemort has a daughter . Hallelujah ! Could not have guessed it . “ sarcastic clapping “
- ❖ No 9th book to fix the 8th one . A fact I am not being sarcastic here , ask Rowling !
- ❖ In all , a bad (actually inedible) stew of Potter fanfiction with largely overpowering odour of Jack Thorne . Better not mention his negatives .
- ❖ In short : a bad fanfic
