

MESSAGE FROM CLASS TEACHERS TO CHILDREN

1. All students are strong. School teachers and doctors will make them more stronger to lead the country
2. After taking Polio drops all students have already made teachers, schools, parents and India proud by defeating Polio
3. Now time has come to say goodbye to Measles and Rubella. They are big enemies to all of our children health
4. We can win over enemy by taking one injection during MR campaign
5. Each child needs to step forward to make this happen
6. If we miss this vaccination we are giving chance to our enemy to win
7. Pain will be even lesser than how we do 'NEW PINCH'
8. After injection all students will have music and fun in school
